# DAY OF MOURNING

---

APRIL 28

Every April 28th we observe a moment of silence for those workers who were injured or killed in the workplace. We also renew our commitment to prevent future work-related deaths, injuries and illnesses. This year the global COVID-19 pandemic has changed the way we live and work. While everyone is affected by the crisis, we owe a special debt of gratitude to the front line and essential workers who are helping to keep our families and communities healthy and safe.

This year, more than ever before, it is critical we defend the fundamental rights of every worker to healthy and safe workplaces.

**STOP THE PANDEMIC:  
SAFETY AND HEALTH AT WORK CAN SAVE LIVES.**
