The parties amend the language to read:

If the employer assigns persons covered by this agreement to perform work which is not within the scope of the agreement, all terms and conditions of the agreement shall apply. However, that assignment does not bring the work within the scope of the agreement. Such work is “chargeable” unless it falls within the specific definition of unchargeable time.

This scope clause may differ in some **appendices**. See Appendices for complete scope. Atlantic, Pacific, Prairie, Central, Quebec, Heat Treat, and Pipeline Appendices.

Comment: Change word "regions" to appendices. Correct formatting.

4.01 - AMEND LANGUAGE

The parties amend the language to read:

With a view to balancing the number of members of each of the affiliated Unions in their employ the Employer shall, after hiring a new employee who is not a member of one of the affiliated Unions, require the new employee to apply for membership in the affiliated Union as directed **and confirmed eligible** by the QCCC.

Comment: add words "and confirmed eligible"

6.03 (c) - AMEND LANGUAGE

The parties amend Article 6.03(c) to read:

A shift premium of fifteen percent (15%) of the employee's **straight time base rate** will be added to the employee's wages for all hours worked on any shift commencing at times other that described above.

Comment: add words " straight time base rate." This is a correction to an error and reverts the language back to the 2018 agreement. Between 2021 and now, no employer changed their practice and the QCCC did not change how we interpreted this clause.

6.06 - NEW LANGUAGE

The parties agree to the following language:

The Employer shall have the option to implement two (2) paid thirty (30) minute breaks in the first eight (8) hours of the scheduled shifts that are ten (10) hours or more

Employers will provide all terms and conditions of the job including hiring points, work schedule, job start date, expected duration, and travel details prior to hire. If the above terms and conditions change, the employee will have the right to ask for a layoff after 5 days' written notice to the employer and be demobilized home at the employer's time and expense. If the required notice is not given by the employee, the employee will demobilize at their own time and expense.

Where an employee resigns, and the terms and conditions of the job have not changed, they shall not be entitled to demobilization and travel compensation reimbursement.

This article does not apply to call-out work.

Comment: Provides clarity on the terms and conditions of the job offer and allows members to leave a project if those terms and conditions change.
